## المقدمة

هل تستطيع التعبير عن أحاسيسك ومشاعرك  
بالإنجليزية؟

هل تستطيع التعبير عن فرحك أو حزنك أو  
دهشتك أو تفاؤلك... الخ.

ربما أنت علي دراية باساسيات وقواعد  
الإنجليزية، وربما كان لديك حصيلة جيدة من  
الكلمات الإنجليزية، ولكنك لا زلت تجد أنه من  
الضروري استعمال لغتك الأصلية للتعبير عن  
انفعالاتك التلقائية النابعة عن أحاسيسك ومشاعرك  
تجاه مواقف هامة كثيرة.

فالإنسان الذي يستطيع أن يتكلم ويعبر عما بداخله  
هو الذي يصل لقمة النجاح، لذلك برزت أهمية  
التعبير عن الذات باللغة الدارجة الإنجليزية، وهي  
لغة التعامل الآن سيما أننا بعصر العولمة  
والاتصالات وأصبح العالم وكأنه قرية صغيرة لغة  
تفاهمها الأولى هي الإنجليزية.

وهذا الكتاب يلقي الضوء على المصطلحات  
الرئيسية الهامة باللغة الإنجليزية لابرار أفضل  
الطرق للتعبير عن الذات مما يؤدي للنجاح في  
التعامل مع الناس.

والكتاب يتكون من ٤٢ باب كل منها خاص للتعبير  
عن أحد المشاعر، ويتضمن التعبيرات الرسمية  
والعامية الدارجة، ومتبوع بمجموعة من الجمل  
التي تسهل الفهم، ثم كم من الكلمات التي تدور  
معانيها حول الموضوع مع ترجمتها للعربية  
تسهيلاً للحصول دونما جهد في استخراج المعاني  
من القاموس.

لذلك فإن هذا الكتاب عبارة عن مرجع يتضمن  
كيفية التعبير الصحيح عن الذات في أي من  
المواقف والموضوعات التي طالما تعترضنا في  
حياتنا اليومية، إضافة إلى لغة المال والأعمال،  
وذلك باللغة الرسمية والعامية الإنجليزية.

Myself.  
No-one can take you away from me.  
Forever together!

I do wish you'd shut up.  
I won't breathe  
That's a bit old fashioned isn't it?

Frowning at me because...  
That's a bit odd.  
How can you watch such sentimental  
Rubbish?  
What's the background?

Just one look and I was head over  
Heels.  
He's fallen for her.  
It would break my heart to lose you.

Do get a move on.  
I shan't breathe another word.  
You can't imagine how much I love  
You.

#### **Persuasion:**

All over the world.  
To run a risk.  
In terms of.  
Oh, come!            Come on, let's...  
You must be joking.  
You must be pulling my leg!

You must think I was born yesterday!  
Be honest! New look! True, true!  
After all...  
If I'm running quite a risk.  
It'd be a pity if...  
You could Make a fortune.

As you know we sell all over the world so we're thinking in terms of pretty large consignment, so I thought it might save time I came straight to the man who makes the decisions.

You now our wholesale terms are Fairly definite.  
Our wholesale terms are laid down.  
The price varies according to the Number you order.  
If I'm not wrong, your price Reduction stops at only ten thousand Orders. Then you lower it to seventy Five pence per umbrellas.

That's not cheap when you consider Transport, customs duty, and a whole Variety of different taxes.

After all we do have the patent on My umbrella. And there's a huge Demand for it. On hundred thousand You could make a fortune.

That's all very well, Mr. Ali, but You know as well as I do that there Are many invisibles:  
Insurance, packaging, unexpected Devaluation, strike, all of which Cost money. I'm running quite a Risk.

I do think a slight reduction would  
Be in order. Come on; let's say  
Fifty pence per umbrella.

Fifty pence! You must be joking! Why  
That's less than manufacturing  
Price!

Really? Well, if you say so!  
I honestly don't see why we should  
Go below 75 pence!

You must be joking! =  
That's ridiculous! =  
Absolutely impossible! =  
That's quite out of question! =  
You're pulling my leg!  
You must think I was born yesterday!

Oh come! = seriously! = let's be  
Sensible! = be honest! = now look!

Naturally! = well, after all =  
It's true

We may now reach a compromise.  
That might perhaps reach a  
Compromise.

Lower your price and I'll buy.  
If you lower your price I'll buy.

#### **40 – Expressions of investment:**

Don't bail out on your long-term Plans. The market goes up and down. This is given, yet it is always Surprising how many people aren't Prepared for it.

Each time the market drops and Everyone always knows it'll, many Investors panic and stray from their Plans.

If you've a plan and understand the Risks associated with the market, Then you won't react drastically and stay from the course of responsible investing .

Investor who stayed the course in the fall of 1998 were rewarded with a 50 per cent gain in the market over the following eight months. If you'd bailed out on your long-term plan , you probably didn't fare as well

Diversification has been , and always will be , a critical component to investing responsible

If you think the market is in for touch times , it makes a pretty good argument for diversifying into a wide range of :

- 1-equities (stocks , funds )
- 2-bonds
- 3-other asset classes.

If you think the market is in for touch times.

And don't get caught in the trap of false diversification within equities  
A lot of people bought a number of Technology fund and technology Stocks, but that constituted their Entire equity holdings. When the NASDAQ declined, all those equity Holders went down together!

## **42- Expressions of war against Terrorism:**

Musharraf says Taliban's days  
Probably numbered  
U.S. military strikes appear closer.  
U.S.-led strikes on Afghanistan  
Appeared closer yesterday after the  
Taliban continued to defy U.S.  
Demands to hand over Osama Bin  
Laden.  
Pakistan's president said the hard-  
Line militia's days are probably  
Numbered,  
He said he believed the U.S. will  
Launch military strike against  
Afghanistan, after Taliban's supreme  
Leaders Mulla Omar told the Afghan  
People that, "Americans don't have  
The courage to come here."  
He added that Pakistan had tried its  
Best to head off a confrontation  
Over Osama Bin Laden, the prime  
Suspect in the Sep. 11 terror attacks  
In the U.S.

The beleaguered Taliban leadership  
Meanwhile moved to calm growing  
Dissent to give tribal elders and  
mujahideen from the regions a share  
In power.

U.S. , Britain launch air strikes.  
50 cruise missiles slam into Kabul,  
Kandahar, Jalalabad; defiant Bin  
Laden warns that America will not  
Live in peace.  
Eye witness said they saw flashes  
And heard explosions over the Afghan  
Capital of Kabul and around the  
Cities of Kandhar and Jalalabad in  
The first phase of what the U.S. has  
Said would be a protracted and wide-  
Ranging war against terrorism and  
The states that support it.  
The U.S. and Britain yesterday  
Launched powerful air and missile  
Strikes against command bases,  
Airports and training camps across  
Afghanistan.

The U.S. president George W. Bush  
Said the country's rulers were about  
To pay a price for supporting  
Terrorism.

"we've set the objectives to  
Eradicate Bin Laden's network of  
Terror and to take action against  
The Taliban regime" Blair said.

Bush Stock goes up in Europe. He  
Said: "patience will be one of our  
Strengths."

U.S. claims air supremacy.

The U.S. unleashed its first  
Daylight bombing raids on  
Afghanistan yesterday and said it  
Had knocked out almost all airfields  
There, creating air supremacy for  
Around-the-clock air strikes against  
Taliban force.

Pentagon leaders said three days of  
Strikes had shattered Taliban air  
Defenses and military  
Communications.

"Arab league ministers discuss Joint  
Stand"

"We'll seek to formulate a united  
Stand."

Foreign ministers of 22 member Arab  
League met here late last night to  
coordinate a unified stand on the  
U.S. strikes against Afghanistan,  
Which have left many states in an  
Awkward position.

Foreign ministers of the  
Organization of Islamic Conference  
(OIC), meeting here today are  
Expected to voice concern that U.S. –  
Led military strikes against  
Afghanistan could extend to other  
Muslim countries.

The meeting was expected to discuss  
Sending a team of senior Muslim  
Officials to Washington to dissuade  
The U.S. administration from  
Extending its military campaign.

“Palestinian leaders urge supporters  
To restore calm”

Leaders of rival Palestinian  
Factions urged supporters to restore  
Calm yesterday after U.S. – led air  
Strikes on Afghanistan triggered the  
Palestinians’ deadliest internal  
Violence in years.

Trying to put a lid on the crisis,  
Officials kept all schools and  
Universities closed in Gaza strip,  
Where two people were killed on  
Monday in clashes between police and  
Supporters of Saudi-born militant  
Osama Bin Laden.

U.S. warplanes pounded Afghanistan.  
Yesterday, hitting targets near the  
Front line of the civil war and  
President George W. Bush rejected a  
New offer from Taliban to hand Osama  
Bin Laden to a neutral country.

In one of several signs that Taliban  
Forces were feeling the pressure, a  
Senior official from the movement  
Offered to give up Bin Laden to a  
Neutral country if the U.S. provided  
Sufficient evidence linking the  
Saudi-born militant to the September  
11 hijacking attacks on New-York and  
Washington.
